

## Youth Art in the Park Wildflower Contest Overview & Rules

### What This Program is All About

The Youth Arts in the Park Wildflower Contest is a competition that celebrates native wildflowers through the artistic creativity of our local young people. Goals of the program are to raise awareness of the natural diversity of plants in the Blue Ridge Mountains, to inspire outdoor stewardship, and promote community connections to nature and the national park.

The contest is part of Shenandoah National Park's annual Wildflower Weekend, a special event that focuses on the value and diversity of our native woodland wildflowers.
